Used Combine Special Overview

Now through July 15, 2019, get 10% flex spending on used combines! Earn 10% of your trade difference towards extended warranty purchases, parts and service work, lease options, interest savings, or cash discounts. You choose where to use your flex spending dollars! We will set you up with the combine that delivers maximum value to you and your operation.

*Flex spend dollars do not apply to "Steel Deal" units. Parts & service options only apply toward combine purchased. Some restrictions apply. See dealer for details. Offer ends July 15, 2019.
